

Summer Camp Assistant Teacher

For 25 years, the Miriam P. Brenner Children’s Museum has provided safe, hands-on, learning experiences for kids and families in Greensboro and surrounding areas. We work to welcome all families to learn, play, and explore together throughout the Museum’s indoor/outdoor campus including 20+ hands-on exhibits and staff-led programs, classes, and events.

MBCM is seeking three amazing individuals to assist with our 2024 summer camp season. Our ideal candidates would have experience working with a diverse group of children ages 4-10 years and have a growing interest in at least one of our educational focus areas: STEAM (science, technology, engineering, arts, and math); food literacy and environmental education; and early childhood development. You will be teaching and learning alongside Museum Educators. This is a wonderful opportunity to gain experience working in informal education and outdoor instruction.
